Testimonials

"We made a **DANCE HEADS**® Video at a business meeting in Cincinnati, Ohio last week and it was the most fun we have ever had at a party. We love our video "Wild Thing" and have played it over and over and laugh harder each time we see it. What a great innovation. Thank you!"

"We had a great time with you guys. The video we made people laugh everytime we showed it. It is very nice to see myself dance in the video, it brings me much joy. Thanks to you guys, I was able to dance.. at least on video. By the way, I can't walk or stand. I'm confined to a wheelchair. Thanks, you guys made me dance again... even if its just on video...."

"My daughters and I made an "I Will Survive" video at Universal Studios in Hollywood last week and had a great time. We look forward to sharing this with our family and friends. It is a great keepsake. What a great idea! Keep up the great work."

I just wanted to write and let you know what a GREAT idea **DANCE HEADS**® Videos are! Our company had our annual Christmas party at the Detroit Science Center and **DANCE HEADS**® was there. We ended up doing the "Baby Got Back" song -and it was so much fun! I am normally a shy person, who would never do something like **DANCE HEADS**®, but once we did one - I wanted to keep going! Thanks for such a great evening!!!
